Vicky -

We haven't determined the renewal application complete yet. David Darby is working on it.... there are other projects he is working on currently - his due date for this permitting action is 12/21. The renewal date is March 16, 2008.

We'll keep you posted.

Pam,

We plan to begin publishing the notice for Dugout Canyon Mine permit renewal this month. Do you have any concerns about us starting to publish? Let me know. Thanks, Vicky
